

Celebrations and specials at Devonleigh's Parkside in Alliston

By ERICA PHILLIPS
Staff Writer

Devonleigh Homes is thrilled to announce the grand opening of its two fully-furnished show homes at Parkside in Alliston.

New homes purchased by March 31, 2010 will qualify for the finished basement promotion; a finished basement will be great for a home office, in-laws or an entertainment room.

The grand opening features Parkside's two show homes, both fully decorated and furnished, and with finished basements. The Shellbrook, is a two-storey, 2,468-square-foot model. The Monterey is a 2,760 square-foot, two-storey home. The luxurious appointments reflect Devonleigh's high standards and commitment to quality. They also make the homes more irresistible. Devonleigh has won several awards of distinction from the Ontario Home Builders Association for its communities in Collingwood and Angus in 2007 and 2009 re-

spectively. Recently Tarion (the Ontario New Home Warranty Program) announced that Devonleigh is one of five finalists for its prestigious Award of Excellence.

Parkside, Devonleigh's third community in Alliston, is designed for a variety of families: young couples,

growing families, empty nesters.

It features fully-detached two-storeys and bungalows on 39-foot, 45-foot and 50-foot lots; homes range in size from 1,021 square feet to 2,218-square-feet and start from \$259,900.

All homes will feature a land-

scape package— which instantly adds value and comfort to your neighbourhood and home— a paved driveway, extra curb appeal, classic interior details, and rounded corner bead drywall throughout.

Devonleigh looks forward to adding to the quality of craftsmanship and homes in Alliston with its Parkside community.

Devonleigh is only building 163 homes in this neighbourhood, located on the north side of Highway 89 just off of Church Street.

Your home will be close to historic Victoria Street and its charming shops, and cafés.

Families also appreciate being relatively close to their favourite stores such as Canadian Tire, Walmart, Sobeys, fine and casual dining and more.

Parkside will eventually feature its own large park and two elementary schools.

A small commercial area is planned too so you can walk to the corner store for a newspaper, Pop-sicle, or a loaf of bread.

About Devonleigh Homes

Andrew and Lisa Kidd established Devonleigh Homes in 1996 and have built more than 1,200 homes in central Ontario including Alliston, Angus, Mansfield, and Orangeville. They pride themselves on creating homes and neighbourhoods with character and quality.

A local radio station will be live on location for the March 13 grand opening which takes place from 11 a.m. to 5 p.m.

Existing Devonleigh homeowners who participate in the grand opening can enter a draw for a \$2,500 travel voucher.

The sales office for Parkside is located at 205 Gray St. in Alliston. Take Highway 400 north to Highway 89. Go west on Highway 89/Victoria Street. Turn right on Boyne Street.

The sales office and model homes are on your left. Office hours are Monday to Wednesday from 1 p.m. to 7 p.m., Saturday, Sunday and holidays from 11 a.m. to 5 p.m. Call 1-877-435-3312/705-435-9991 or visit www.devonleighhomes.com.
